

“Ark Art” Night

Noah’s Ark second annual “Ark Art” Night is scheduled for Friday, March 2, 2012. This is our 4th annual and it has always proved to be a huge success.

For all of our new parents, “Ark Art” Night is a parents only night from 7:00-8:30 P.M.at the Ark however, FREE child care will be provided by our staff at Peavine Elementary School. During our event the children’s artwork is displayed and for sale; we have delicious appetizers and hot-spiced cider topped off by a silent auction. Dinner and show tickets, karate lessons, bicycles, microwaves, gift certificates, spa certificates, ski passes, movie tickets, gift baskets galore are just a few of the items on our tables this year.

We are putting it out in the community that we are requesting donations from local businesses. If you have a business, work for a business or know someone who runs a business who would be willing to make a donation of a product, service or certificate we would really appreciate your help. The teachers have been out in their spare time passing out Ark brochures and asking for donations.

Be sure to mark your calendars and line up your babysitters for our big night. Friends and other adult family members as well as neighbors and co-workers are ALL invited to attend.
